Of course, for both. Sorry to spring this on you but we are moving ahead on this site quickly and want to make sure we are all on the same page.

Hi Diane,

Would it be ok to forward the invite to Mike Beuthe in OSRTI as well? Matt suggested he participate as well, since he's involved with GIS / geospatial analysis, although he is not familiar with the site.

Matt was also wondering if it would be ok to invite their branch's summer intern, who is helping them out with SWAC work, to Thur's meeting as well?

Cheers,  
Sun
